Profile

I am looking for employment in full stack developing in the Bristol area as well as online. I am hardworking, reliable, enthusiastic, and experienced individual. I am skilled at IT work and am a junior, so I am hoping to use this opportunity to learn new skills as technology is always advancing, therefore, I am more than happy to adapt to these changes.

Key Skills/Strengths

- Hardworking
- Reliable
- Organised
- Good communication skills
- Able to work under pressure
- Great at team work
- Friendly and welcoming
- Ability to work on my own initiative or as part of a time
- Attention to detail
- Empathetic
- Listening and communication
